Plumas, flecos y accesorios tribales adornan prendas con las que bailar hasta el amanecer. La moda vuelve a inspirarse en el crisol de culturas del continente africano y en una de sus musas, la *top* Iman, y regresa como en sus gloriosos 80's más étnica y racial que nunca. Una travesía que nos adentra en el corazón más profundo de África y en el que la luz, los paisajes y sus vibrantes colores son protagonistas. El nuevo lujo nunca fue tan salvaje.

Realiza: JULIA MARTINEZ
