"I had just 1 second to get the shot, but 7 chances to nail it."

With continuous shooting at 7 frames per second, the EOS 70D Digital SLR camera gives you more opportunities to catch that perfect moment. Even short-lived photo ops can't evade its new Live View AF system; auto focusing approximately 5 times faster than the EOS 60D*. If you want more shots at the perfect shot, the new EOS 70D is the camera for you, and your fast-moving subject.

- 7 frames per second continuous shooting
- 19-point all cross-type auto focus
- 3" Vari-Angle Touch LCD screen
- Shoot and share remotely with built-in Wi-Fi**
